No. P.—8 OF 1928

OFFICE OF THE SURGEON-GENERAL
WITH THE GOVERNMENT OF BOMBAY:

Poona, 18th August 1928.

From

MAJOR-GENERAL R. W. ANTHONY, F.R.C.S.E., I.M.S.,
Surgeon-General with the Government of Bombay,
Poona;

To

THE SECRETARY TO GOVERNMENT,
General Department, Bombay.

Subject.—Annual Report on Mental Hospitals.

Sir,

I have the honour to submit the Annual Report on Mental Hospitals in the Bombay Presidency for the year 1927.

2. *Buildings.*—All the Mental Hospitals are in a good state of repairs. Minor additions and alterations were carried out during the year at the Mental Hospitals at Yeravda, Ratnagiri, Dharwar, Ahmedabad and Hyderabad.

3. *Water-supply.*—The supply has been good and sufficient at all the Mental Hospitals.

STATEMENT No. I

Population

4. The total population of the Mental Hospitals during the year under report was 2,109 as compared with 2,136 in 1926. Admissions during the year, inclusive of re-admissions, numbered 470 males and 138 females against 466 males and 136 females, respectively, during the previous year. The daily average strength was 1,534·2 as compared with 1,544·9 in 1926.

Discharges and Cures

5. During the year under report 237 patients were discharged cured, 67 improved, 39 not improved and 21 were discharged otherwise.

Sickness and Mortality

6. The daily average number of sick treated in hospital was 93·7 against 88·0 in 1926. The percentage of sickness to the daily average strength was 6·1 against 5·6 in 1926. The health of the inmates was generally good during the year.

7. There were 171 deaths against 194 in 1926. The ratio of deaths per cent. of the daily average strength was 11·1 as compared with 12·6 in the previous year. The following table gives the ratio of deaths per cent. to the daily average strength at the various Mental Hospitals :—

	Males	Females	Total
Naupada, Thana	24·6	17·5	22·9
Ratnagiri	9·2	4·6	8·0
Central Mental Hospital, Yeravda	E. 5.6 I. 11·3	5·0 4·0	5·4 9·0
Dharwar	11·2	4·9	9·1
Ahmedabad	9·3	12·1	10·0
Hyderabad	8·1	12·0	8·7
Total ...	12·5	7·7	11·1

8. The chief causes of deaths at the several Mental Hospitals during the year were Tubercle of the lung and other tubercular diseases (20), Cerebral Atrophy (19), Dysentery (14), Diarrhœa (12), diseases of the digestive system (7), Nervous diseases (13), Pneumonia (8), Anæmia (6) and diseases of the Heart (4).

STATEMENT No. II

Criminal Insanes

9. The total number of this class of insanes confined in the Mental Hospitals during 1927 was 226 (205 males and 21 females) with a daily average strength of 137·1.

STATEMENT No. III

Religion

10. Of the 608 insanes admitted during the year 41 were Europeans and Eurasians, 44 Indian Christians, 340 Hindus, 153 Mahomedans and 30 other castes.

Statement No. IV

Previous occupations of the insanes admitted

11. Domestic servants (89) including house-wives furnished the largest number of admissions followed by clerks (64), cultivators or agriculturists (58), labourers (50), mendicants, (17), students (16) merchants and traders (16) and 137 other known occupation. In 76 cases the previous occupation could not be ascertained and 88 had no occupation.

Statement No. V

Ages of insanes admitted

12. Thirty-six insanes were under 20 years of age on admission, 446 between 20 and 40. 114 between 40 and 60 and 12 were upwards of 60 years.

Statement No. VI

Types of insanity

13. The principal types of insanity treated were Mania 627 against 716 in 1926, Melancholia 435 against 432, Delusional insanity 78 against 92, Dementia 276 against 292, insanity due to *Cannabis Indica* or its preparations 122 or the same as in the previous year and idiocy 49 against 47.

Statement No. VII

Ætiological factors and associated conditions in the insanes admitted

14. The principal predisposing and exciting causes were mental stress 69 against 104 in 1926, mental instability 74 against 54 and toxic diseases 75 against 36. Owing to defective history the causes of insanity could not be ascertained in 318 cases as compared with 223 in the previous year.

Statement No. VIII

Cash accounts

15. The receipts from paying patients amounted to Rs. 1,13,080 in 1927 against Rs. 92,525 in 1926—an increase of Rs. 20,555. The value of stores received from the manufacturing department less cost of raw materials was Rs. 15,339 against Rs. 18,894 in the previous year. The total receipts under the two heads amounted to Rs. 1,28,419 as compared with Rs. 1,10,454 in 1926.

16. The total expenditure in 1927 amounted to Rs. 7,45,265 as compared with Rs. 7,75,729 in the previous year. Deducting the receipts the net expenditure was Rs. 4,61,711 against Rs. 5,37,311.

The subjoined table shows the cost per head per annum in the several institutions during the past two years :—

Institutions	1926	1927
Naupada, Thana	556	444
Ratnagiri	243	245
Central Mental Hospital, Yeravda	589	565
Dharwar	249	312
Ahmedabad	253	267
Hyderabad	244	225

Employment and amusements

17. Gardening, weaving and cane work formed the chief occupations for insanes. They were also employed in helping in the domestic work of the institutions. Rs. 3,279 were spent during the year on the amusements and recreation of the insanes against Rs. 3,059 expended on this account during the previous year.

Visitors

18. The official visitors were regular in their attendance at all the Mental Hospitals.

General Remarks

19. The accommodation available in the Mental Hospitals is generally insufficient and this is particularly the case in the Mental Hospitals at Yeravda and Hyderabad. A comprehensive scheme for the expansion of the Central Mental Hospital is before Government. A start has been made in the construction of new wards at the Central Mental Hospital, Yeravda, and the New Parsi Female Section is expected to be ready next year.

A convalescent section at the Mental Hospital, Naupada, is also projected.

20. A summarised report of the Central Mental Hospital, Yeravda, is published as an appendix.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) R. W. ANTHONY,

Major-General, I.M.S.,

Surgeon-General with the Government of Bombay.

ANNUAL REPORT OF THE CENTRAL HOSPITAL FOR MENTAL DISEASES, YERAVDA, FOR THE YEAR 1927

I have been in charge of the Hospital throughout the year.

Statement I.—On January 1st, 1927, there were 604 patients in Hospital; during the year 205 new cases (147 males and 58 females) were admitted as compared with 170 in 1926 and 166 in 1925; the total number treated being 809 as compared with 759 in 1926 and 721 in 1925.

During the year 77 patients were discharged recovered, 32 improved, 27 not improved, and 1 escaped, making a total of 137 as compared with 127 in 1926. The deaths numbered 50, leaving a total of 622 on the last day of the year.

The causes of death were as shown below:—

Cerebral Atrophy	19
Epilepsy	6
Dysentery	6
Senility	4
Pneumonia	4
Syncope	3
Valvular Heart Disease	2
Acute Endocarditis	1
Malaria	1
Small-pox	1
Secondary Anæmia	1
Meningitis	1
Mechanical Intestinal Irritant...	1
	50

The general health of the patients was fair throughout the year. No additional accommodation was provided during the year; the available accommodation is 572, but by overcrowding all the wards, 622 are now actually accommodated.

Hospital outturn.—The value of garden produce supplied to the Hospital as well as to the public in 1927 was Rs. 11,209-15-9 as compared with Rs. 9,288-9-1 in 1926. The increase is due to a larger revenue obtained from the previous year's cereal crops which were good and to the supply of firewood from the Hospital estate for some months in the year.

Both the cereal and sugar cane crops for the current year have not been so good as the previous year. The Jowar crop suffered for want of timely rain and the sugarcane for want of a change of ground owing to the sewage-bound plots being given a rest. The Jaggery manufactured from the cane crop will however be sufficient for the whole year's diet supply.

It is worthy of mention that this Hospital carried off five prizes in the Agri-Horticultural Show held last September.

Buildings.—No major Works were carried out during the year 1927.

Minor Works completed in the year 1927 were as follows:—

(1) Providing Mangalore tiles over the roof of block No. 64 (in males section).

(2) Providing sign-boards near the Hospital on Poona-Alandi Road.

Occupation for patients.—The facilities for this form of treatment are very poor and need extending: at present we have farming, gardening, office work, carpentry, spinning, weaving and needlework. A hospital shop has been started, or rather revived, during the year at which patients who work may purchase such things as cigarettes, biddies, fruit, sweets, writing paper, soaps, ribbons, etc., etc., in exchange for tokens which they receive for their work; this system encourages them to greater efforts and it has almost entirely displaced the former system of giving these extras to patients: of course those patients who are unable to work still continue to receive them as before.

Recreation and amusements.—The amount spent from the special grant this year was Rs. 1,834-8-11 as compared with Rs. 1,559-3-0 in 1926.

Further efforts have been made to provide these amenities for the patients: they play cricket and tennis regularly and have a picnic out in the country once a month; then there are the weekly recreation hall entertainments and the weekly cinema shows: these are provided through the generosity of Mr. Mody, the Manager of the Empire Cinema, Poona, to whom my thanks on behalf of the patients and staff are due.

During the year we have also received several notable gifts for the use of the patients.

(1) A Fiat motor bus from the Bombay Women's Presidency Council: my special thanks are due to Lady D. Tata and Dr. (Miss) Jerbanoo Mistry for their successful efforts on our behalf. The bus is in daily use for taking patients for drives which are much appreciated by them.

(2) A rowing boat for use on the river was presented by an anonymous Parsi donor from Bombay.

(3) A sum of money (Rs. 500) was presented by Mr. H. M. Bharucha, a Parsi gentleman of Bombay to enable us to purchase a Wireless Receiving Set. This is about to be fitted up and I have no doubt that the patients will derive great pleasure from listening to the programmes in the different languages.

(4) 20 Hospital cots were presented by Lady Cowasji Jehangir and Mrs. Cawasji Dhunjishaw for the use of the Parsi female patients.

(5) The Jeejeebhoy Dadabhoy Charity Fund contributed Rs. 600 for the benefit of poor Parsi patients of this Hospital.

(6) The Parsi High Priest of Poona sent us 100 large aluminium dinner plates for the use of the Parsi patients.

To all these ladies and gentlemen, I wish to express my thanks for their very practical help to the patients.

(Signed) A. H. HARTY,
Major, I.M.S.,
Superintendent,
Central Mental Hospital, Yeravda.

BOMBAY : PRINTED AT THE GOVERNMENT CENTRAL PRESS.

GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution No. P. 53.

Bombay Castle, 10th December 1928.

Letter from the Surgeon General with the Government of Bombay, No. P-8 dated the 29th November 1928 :—

"In continuation of this office memorandum No. P-8, dated 22nd November 1928, I have the honour to forward herewith the Annual Report on the Mental Hospitals in the Bombay Presidency for the year 1927, duly signed by me and to state for the information of Government that there is nothing in it, the immediate publication of which can be considered as of doubtful expediency."

RESOLUTION.—The report should be published.

By order of the Government of Bombay
(Transferred Departments),

A. H. DRACUP,
Under Secretary to Government.

To

The Surgeon General with the Government of Bombay,
